

Year 11 Interventions, Mocks and Events

8th September 2023

Dear Parent / Carer,

I hope that you had a good summer break and I have enjoyed welcoming our Yr11 back after the holidays to start the new term. In the letter are both the Mock exams and upcoming events this term for Yr 11. I will send an after school intervention timetable early next week.

Form Time Intervention:

At the end of last term Yr 11 received their Yr 10 mock exam results and based on these results we have changed the form tutor groupings this term to enable form time to be used to offer interventions based on the most recent mock results. In three of the form sessions a week the students will receive subject specific interventions from their form tutor, utilising the tutors subject specific expertise.

Mock Exams

Yr 11 have their next set of mock exams beginning on 2nd October please find the timetable [here](#) and the assessment map [here](#). The Assessment Map outlines the topics, exam papers and exam skills in each subject being examined.

Yr 11 Curriculum Evening

On the 21st September we will be holding our Yr 11 Curriculum Evening. This will be an opportunity to participate in 3 revision workshops with your child on how to support your child with revision in English, Maths and Science. Please confirm your attendance [here](#).

If you have any questions about any of the events or interventions please do email me rachel.dixon@cleevepark-tkat.org

Yours faithfully

Mrs Dixon
