

Year 7 Welcome Evening

3rd October 2023

Dear Parent / Carer,

We would like to invite you to our Year 7 Welcome Evening on Tuesday 3rd October from 5.45pm to 6.45pm. This evening is an opportunity to learn about some of the strategies that are being put in place to help your child succeed. In this event you will have the opportunity to see some of the work produced by your child. The work presented will be what your child has chosen as one of their best pieces of work in Maths as well as one other written subject. We encourage you to take this opportunity to have a discussion with them afterwards about whether the work you see is a true reflection of what they are capable of.

You will also get a chance to hear from the head teacher as well as from one of our deputy head teachers. Form tutors will also be present so it will allow you to put a face to the name your child has been referring to as their form tutor.

Towards the end of the evening we will provide you with a demonstration of how we support students with their spelling, punctuation and grammar during form time as well as their numeracy. You will also hear from us about how to make effective use of Google Classroom and what reading book year 7 students are focusing on this term.

We value your ongoing support as parents/carers and therefore, we strongly recommend that you attend this event so that you are fully informed of how we can all work together to support your child with their academic progress at Cleeve Park School. Should you have any queries relating to this evening, please do not hesitate to contact the school.

This event is always popular so unfortunately, we must restrict the number of guests to a maximum of two people per student due to the limited space available. Please confirm your attendance by completing the google form [here](#) and thank you in advance for your understanding and assistance. **We ask that students attend in their school uniform for this event.**

Yours faithfully,

Mr Onabanjo
Assistant Headteacher
Key Stage 3 and Year 7 RSL
