

Year 8 Curriculum Evening

16th October 2023

Dear Parent / Carer,

We would like to invite you to our Year 8 Curriculum Evening on Monday 16th October from 5.45pm to 6.45pm. This evening is an opportunity to learn about some of the strategies that are being put in place to help your child succeed. In this event you will have the opportunity to see some of the work produced by your child also. The work presented will include what your child has chosen as their best pieces of work in both Maths and English. We encourage you to take this opportunity to have a discussion with them afterwards about whether the work you see is a true reflection of what they are capable of.

You will also get a chance to hear from the head teacher, a deputy head teacher and their raising standard leader. Form tutors will also be present so you can talk to them afterwards if you have further questions.

During the evening, we will go into more detail about some of the new strategies which have been introduced this year such as study captures. This strategy has been implemented to help students get into the habit of spending some time every day to remind themselves about all the things they have learnt.

We value your ongoing support as parents/carers and therefore, we strongly recommend that you attend this event so that you are fully informed of how we can all work together to support your child with their academic progress at Cleeve Park School. Should you have any queries relating to this evening, please do not hesitate to contact the school.

This event is always popular so unfortunately, we must restrict the number of guests to a maximum of two people per student due to the limited space available. Please confirm your attendance by completing the google form [here](#) and thank you in advance for your understanding and assistance. **We ask that students attend in their school uniform for this event.**

Yours faithfully,

Mr Onabanjo

Assistant Headteacher
Key Stage 3 Raising Standard Leader

Miss Cutting
