

### Sixth Form Open Evening - 7th December 2023

Dear Parent/Carer

I hope this letter finds you and your family well. It is an exciting year ahead for our year 11 students as they prepare for their GCSEs and start to think about their future. There are clearly a number of choices to make and we want to assure you that we are here to help. Whilst naturally, we would like to encourage you to choose our sixth form, we want this to be an informed choice so please do take time to check what other providers can offer. We are confident that once you have weighed up the alternatives, you will see that our sixth form provides a first class education in a setting where nurture and ambition go hand in hand.

To showcase this provision, we would like to invite you to our Sixth Form Open Evening on Thursday 7th December 2023, from 5pm-7pm.

During the evening you will have a chance to speak to Heads of Departments and current students about our wide range of A level and vocational courses that we offer. Alongside our comprehensive subject choices, you and your child will also get to hear about our range enrichment activities that we offer as well as a range of extra curricular opportunities to support individual growth and development. Mrs Unger will also be available throughout the even to help support with Careers Advice and Guidance.

If you are attending or are planning to attend can I please ask that you go to our school website and register your attendance for the evening.

We hope to see you and your child at the Sixth Form Open Evening on Thursday 7th December 2023. If you have any questions about our offer please visit our website or email Ms Tangi on [sixthform@cleevepark-tkat.org](mailto:sixthform@cleevepark-tkat.org)

Your sincerely
