

4th December 2023

Dear Parent/Carer

This week Yr11 are participating in our 'Preparing To Succeed' week. They will spend each form time, reflecting on their mocks, setting some short term and long term goals, creating a revision timetable and learning the three revision techniques we call 'The Cleeve Way'.

Please find a link to the booklet they will be completing this week [here](#), it would be great if you could also look through this and discuss it with them at home this week.

In addition [here](#) is the link to the online revision timetable creator, it's a great online tool that supports the students in managing and prioritising their time when creating a revision timetable.

Kind Regards

Mrs Dixon
Assistant Headteacher
