

16th November 2023

Dear Parents and Carers,

Following on from my previous email to you regarding our Year 7 Literacy Intervention classes, I wanted to let you know that they are due to begin the week commencing the 20th November 2023.

The students timetables will be updated to reflect the change, and each student will be given an updated hard copy of their new timetable tomorrow.

There will be three classes over the course of the two week timetable. All of these lessons were due to be in place of Technology, and while the majority still will, unfortunately due to unforeseen circumstances, some will by necessity be in place of one other lesson per fortnight. This will vary by class.

At the conclusion of the 10 week course we will look at whether further intervention is needed and arrange this as necessary.

As always we want every child to succeed, so any reading you can encourage them to do at home will not only greatly benefit their reading ability and comprehension, but help improve outcomes across all subjects areas at school. Please feel free to contact us if you would like any further information.

Kind regards

Claire Day  
Literacy Team
