12 June 2023

Dear Parents/Carers,

We are delighted to share with you that Cleeve Park School has chosen to work towards being accredited with the Anti-Racist School Award.

The Carnegie School of Education based at Leeds Beckett University has developed the Anti-Racist School Award to give schools a framework to evidence policies and initiatives for both staff & pupils within the wider school community. By embracing the ideals of the award, we are demonstrating a deep commitment to working towards excellent practice as we place anti-racism as the core value of our school/academy alongside our commitment to having a rich whole school culture where all members of our school/academy community can thrive.

We would welcome expressions of interest from parents/carers who would like and are able to work with us more closely through a parent/carers group which will focus on the competencies of the award. If you would like further information about joining the group, please contact Mrs Celeb by email: hatice.celebioglu@cleevepark-tkat.org

We look forward to sharing how we, as a community, are further developing our practices in relation to anti-racism over the coming months. Further information about the award can be found on the Leeds Beckett University website.

Yours sincerely

Mrs H Celeb
