

5th May 2023

Dear Parent and Carers,

“Rev it up day”

As part of our ongoing program of supporting students before their final exams we will be delivering our “Rev it up day” at school.

On Friday 5th we are delighted to have “Action Your Potential” in for the day to deliver a workshop and assembly to our year 11, year 12 and year 13 students. The focus of these workshops and assemblies are the daily habits and behaviours that students need to adopt to maximise their potential in their GCSEs, A Level and BTEC exams in the next two months.

On Thursday 4th May at 7:30pm, Andrew Wrighton from [Action Your Potential](#) will be running a webinar for all our parents, carers, and students across Y10, Y11, Y12 and Y13. To sign up to this webinar [just click on this link](#). AYP takes your privacy seriously and won't use this information for anything other than informing you about this course and sharing support resources. [Our GDPR policy is here](#).

Students can access a course that helps them build learning routines that will help them learn more and remember more every day at school and also support them to build powerful revision sessions called Study Reps. [Information on Study Reps is here](#). AYP also published a Top Ten Exam Tips video recently on their You Tube channel [which you can access here](#).

All parents and carers across Cleeve Park have access to Exam #NeuroNinja, a series of webinars that have been running since February. You can find them on the #NeuroNina Learning Hub – [sign up here](#).

All students will be expected to be in the main hall from 8:35 am, year 12 and 13 will finish at 12:00pm and year 11 will finish at the normal time of 3:00pm.

Yours sincerely

Quinton Naidoo
