

7th July 2023

Dear Parents/Carers

TKAT Aspire Day, Greenwich University - Friday 14th July 2023

We are very excited to be taking our Year 12 students to the TKAT Aspire Day being held in Greenwich University. This important event will help students towards the next stage of their life. It will also provide an opportunity to mix with other TKAT Sixth Form students allowing them to network with other young adults who share the same aspirations for their future.

Students will be expected to make their own way to the venue and make their own way back home at the end of the day.

Registration will be at 8:30 am at:

**Greenwich University
Stockwell Building
10 Stockwell St, London SE10 9BD**

This event is during Work Experience week two, however, work experience runs from Monday to Thursday which will allow students to attend this day. They will need to contact their work experience employers to make them aware that the work experience will end on Thursday 13th July 2023.

The University is situated on a beautiful campus in the heart of Greenwich, directly on the bank of the River Thames. As part of the event, students will have a tour of the university buildings. Students will have an hour and half for lunch, where they will be permitted (in minimum groups of three) to stroll into Greenwich Village Centre and purchase food or shop if they wish. Students can also bring along a packed lunch and/or snacks if they prefer.

Whilst at the event students will have the opportunity to attend a range of workshops and lectures as shown below:

- How to write Personal Statements for UCAS delivered by Eton College
- How to write cover letters and CV's for employment
- Early applications to Oxbridge, Medicine, Veterinary and Dentistry delivered by St Hugh's College, Oxford University
- Applying for apprenticeships delivered by the Institute of Apprenticeships and Technical Education

continued.....

Headteacher: Mrs Alex O'Donnell
Company Registration Number: 7348231

All students will attend an exciting motivational speech delivered by Para-Olympian, Steve Brown and an exciting interactive employment skills workshop delivered by Zurich which will aid all students no matter what their aspirations are. Finally, there will be a question and answer session with current students at Greenwich University. Students will be able to put their questions forward on such topics as budgeting, socialising and workload. The aim of the day is to ensure our students are feeling aspirational for their future, whether that be through attending university, securing an apprenticeship or applying for their dream job.

This promises to be a very rewarding day and we are very much looking forward to supporting your son/daughter in fulfilling their aspirations, however, if you do have any questions regarding this trip, please contact me quinton.naidoo@clevepark-tkat.org

In order for your son/daughter to attend, you must complete a consent form [HERE](#) by **Wednesday 12th July 2023.**

Yours faithfully

Q Naidoo
