

Dear Parents / Carers

At Cleeve Park we have a zero tolerance policy on uniform and standards, in recent weeks we have noticed that these high standards have slipped so we will be requesting your support moving forward to ensure that your child leaves for school in line with our UPBEAT uniform policy. This has been particularly noticeable with jewellery and false eyelashes. Where we have challenged students over this, a frequent response is "others are wearing them" - we will always endeavour to challenge all students and apply the policy consistently and therefore ask that you support us in addressing this with students.

Please note the following excerpt from the policy which can be found in the school contact book and on the school website.

### **Jewellery**

No jewellery whatsoever, including ear studs and other piercings, students are not permitted to wear jewellery in any part of their face. (Piercings covered with a plaster are not acceptable) Students may wear a sensible wrist watch but no rings, necklaces or bracelets. 'Smart' watches i.e. with internet connection, are not allowed in exams. In the event that an item of jewellery is required for reasons of religious observance a letter will be required from the appropriate authority to explain the necessity for this requirement.

### **Cosmetics**

No face make-up, nail varnish, acrylic nails, false eyelashes, fake tan.

Pupils will be required to remove it and receive a sanction in line with 'UPBEAT behaviour policy' \* Should a student refuse, parents will be required to come to the school to rectify the issue.

***Thank you in advance for your cooperation***

**Mr Moloney**  
**Head of Behaviour**

\*In some cases of incorrect uniform we reserve the right to withdraw any student out of circulation for the day or make arrangements for students to go home and correct inappropriate uniform.
