Year 10 Aspiration Conference 14th July

Dear Parent / Carer,

I'm writing to let you know about an exciting upcoming event for our Yr 10 students. On Friday, 14th July we are running our Aspiration Conference. This will be an opportunity for our Yr 10 students to explore a range of post 16 options across three sessions. Including a presentation on apprenticeships, college and T Levels. As well as a range of sessions on University and UCAS, careers guidance and a range of A Level and BTEC taster lessons.

For the day pupils will be allowed to wear business dress and will not have to wear their school uniform. This can be as straightforward as wearing school trousers or a skirt and their shirt with an alternative tie and jumper, or they can choose to wear a suit. If you have any questions about this please do email me. The day will also follow a slightly different timetable to our usual school day. The day will begin at 9 am and will finish at 3pm.

Below are different sessions on offer over 3 lessons, please do have a look through the different options with your child and discuss with them what they might like to try or find out more about. Students will be making their choices in school tomorrow or if you would like to complete the form at home together today please use the following link:
