

Dear Parent/Carer,

Careers Guidance for Year 10 Students

I am writing to advise you that from 18th March I will be inviting year 10 students to attend a career information and guidance session.

During their session we will be discussing next destinations and whether sixth form, college, T Levels or apprenticeships as well as the forthcoming work experience. If they need help with any application forms, I can also support them with this.

These sessions also help to empower young people to think of their own futures and aspirations.

As a Parent/Carer we appreciate that it can be challenging to know how to offer support to your child particularly as there are so many changes; from new apprenticeship schemes, T Levels, emerging technologies, political and environmental upheavals.

For some extra careers information, and guidance there are some useful websites including www.successatschool, the school's careers microsite (QR Code at bottom of the page) as well as our new careers platform www.unifrog.org (you will need to use your son's/daughter's school email address/password to access this).

If you have any further questions or require some help, then please feel free to email me on Amanda.unger@cleevepark-tkat.org.

Yours sincerely,

Mrs A Unger
