**RE: Component 1 -Exploring enterprises Assessment**

Dear parents/carers

As you are aware your son/daughter has been studying Enterprise since the start of the year. The students are now in a position to demonstrate their knowledge via a formal assessment which is set by the exam board.

From the week commencing 20th February students will be handed an assignment brief and carry out several tasks that demonstrate their knowledge and understanding of the content (Component 1- Exploring Enterprises). As the assessment is taking place in class time it is imperative that your son/daughter is in attendance to every lesson until the assessment period is over. The Pearson-set Assignment will be completed in approximately 6 hours of monitored preparation and 5 hours of supervised assessment.

The students have been preparing for this assessment and have attempted practice assessments for each learning aim previously. The assessment is internally marked and contributes to 30% of the overall course grade.

If you have any further questions about the assessment please do not hesitate to contact me using the details below:
