

5 May 2022

Dear Parent/ Carer

As we approach and enter the GCSE exam period we have looked carefully at the student's exams and put in place a series of targeted and timely revision sessions for each of their exams.

These sessions will run throughout the exam period and students will need to attend a full school day throughout this time in order to participate fully in the drop down revision sessions, which will be targeted and provide vital final preparations for the students in the morning or the afternoon prior to the exam. In order to facilitate these sessions Yr 11 lunch will move to 13:00 - 13:30 with from time or a drop down session beginning at 13:30.

They will be 2 hour sessions with the student's subject teacher and run either from 8:30 to 10:40 or from 13:30 - 15:30. Please see the timetable of the drop down revision sessions here. Even if the students are not in a drop down session they are still required to attend school for a full day as revision lessons will run with their teachers.

In addition to the drop down sessions whenever the students have a Maths, English, Science or History exam in the morning there will be a morning revision session with their teachers from 7:45am to 8:30am prior to the start of the exam with breakfast provided for all students.

When coming into school and for exams students will need:

- 3 black pens
- A pencil
- A ruler
- A protractor
- A compass
- A scientific calculator.

Kind Regards,

Mrs Dixon  
Assistant Headteacher
