

Dear Parents & Caregivers,

As you know, we were inspected by Ofsted last term and consequently I am delighted to share with you our final report.

The school has worked hard to ensure that the education being provided to our students is of the highest quality both pastorally and academically. These improvements have been rightly recognised by Ofsted, but more importantly by you as parents and our local community. Achieving this movement from “*Requires Improvement*” (since 2019) to “*Good*” is something that has come about through consistent expectations, ambition for young people and not settling for second best.

I attach the full inspection report [HERE](#) but have pulled out some quotes below that I am particularly proud of.

Pupils are courteous and respectful. They typically treat one another with consideration and enjoy supportive and professional relationships with staff.

Pupils show interest in their learning. Classrooms are typically settled, and where any disruption does arise, staff deal with it well through the school’s behaviour policies.

The majority of pupils have high attendance rates and the school works closely with those whose attendance needs to improve.

...pupils are well supported and use familiar routines across the curriculum to read new texts.

This is an excellent achievement and one that confirms our place within Bexley as a popular and successful school. We have seen a growing number of parents choosing our school and are now fully subscribed. Our expectations around behaviour, attendance and academic achievement have been high, and will continue to be so.

I would like to take this opportunity to recognise the hard work and dedication from all the staff - including our premises team, administration teams, support staff and teachers. Every single member of staff has worked hard to ensure that students receive a consistent and ambitious message around commitment, pride and success in our school. I would also like to thank you as parents - having put your faith in our school, supporting our policies and ensuring that your children understand the value of education has been instrumental in our success.

Thank you for your ongoing support of our school.

Yours sincerely

Mrs Alex O'Donnell
Executive Head Teacher
