

26th March 2021

Dear Parents & Carers,

As we come towards the close of our first full term for some time, I would like to thank the vast majority of you for the support and words of thanks to the staff. I have been really impressed with how students have returned and how most want to ensure that lost learning is recovered.

You will be aware of the Covid tests that have been issued for those students who have opted for testing. They will be receiving their next box of tests this Tuesday and I ask that we continue to undertake these throughout the holidays. There has been a slight increase in infection rates in the local community and I really want to make sure that we as a school maintain our vigilance. As I have indicated in previous letters, the infection rate in school directly reflects the community so please continue to be vigilant over the Easter holidays. No one wants to return to a lockdown so it is vital we all play our part.

If your child has a positive test, it is vital that we are informed. Please report any positive COVID results via COVID@cleevepark-tkat.org or on the school number and option 1.

We will be finishing school on Wednesday 31st March. Wednesday morning will be on the normal timetable with the canteen areas open at the usual break times rather than lunch. 11-20-11.45am is form time with students dismissed from form rooms. Buses are booked for a 12 noon departure. Students will be expected in full correct uniform.

We return on Monday 19th April. Upon return, please help us to maintain our high standards of uniform. Girls should not be returning with false nails/eyelashes, and all students are expected to wear a blazer and facemask. All students are expected to wear school shoes (not trainers) and must have a bag with equipment for learning - pens, pencils etc.

I wish you and your families a Happy Easter.

Kind regards

Alex O'Donnell
