

15th July 2022

Dear Parents & Carers,

As we are all aware, we are experiencing unprecedented weather conditions that are impacting significantly on schools. As an older building, we do not have access to air conditioning for the most part of the site, consequently the rooms in many areas of the school have unreasonably high temperatures.

Tuesday is our final day of the academic year and as such we already plan to finish at 12 noon. As Monday is also forecasted to be high temperatures I have taken the decision to also finish the day at 12 noon. Therefore on Monday and Tuesday, the school will remain open until 12 noon. Students will still be able to access the canteen prior to leaving should they wish to eat at school. Buses have been rescheduled so transport will still be available.

I am aware that for some students returning home early on Monday may present some problems so staff will remain in school and supervise the students in a smaller air conditioned space. If you would like your child to remain in school until 3pm, please contact the school via office@cleevepark-tkat.org to confirm a space. It is important that you confirm a space so that we can have appropriate staffing numbers.

Our underlying priority must be around the safety of our students and staff so I hope you are able to understand the late notice of this decision.

Yours etc

Alex O'Donnell
Executive Headteacher
