

17<sup>th</sup> July 2020

Dear Parents and Carers,

You will have heard the government announcement that schools will be open for all students to access full-time education from September 2020. Our school has been welcoming students in Year 10 and 12 back to school since June. We approached this with great caution, reviewing all the scientific advice to ensure that we could be as safe as possible. This has gone extremely well, as our safety measures and risk assessments were robust. Thank you to all parents who sent their children back into school – it has been lovely to see them.

We are delighted that we can now look forward to seeing all students back in September. We have been busy planning, completing new and detailed risk assessments, and working out exactly what school will look like and feel like when your child returns.

The Government has stated: *'Given the improved position, the balance of risk is now overwhelmingly in favour of children returning to school. For the vast majority of children, the benefits of being back in school far outweigh the very low risk from coronavirus (COVID-19).'*

We are following government guidance by: grouping our students together in year group bubbles and keeping stringent cleaning and disinfecting processes we already have in place to ensure that our school is as safe as can be for your child.

In preparation, there are some key points below that you need to be aware of to ensure that your child is safe. Details may change, we will keep you updated.

1. You must ensure that if anyone in your household has **COVID-19 symptoms**, your child does **NOT** attend school. Any child or staff member who develops symptoms in the school day will be sent home immediately. If anyone in your household, or your child, tests positive for COVID-19 you **MUST** inform your school.
2. **Travelling to and from school:** The government has advised walking or cycling to school wherever possible to reduce the use of public transport. We are working with TfL in regard to providing additional buses, however this would appear unlikely at this time. Currently numbers on a double decker bus are limited to 30 so a space cannot be guaranteed for all students. Please seek alternative arrangements for your child to travel to and from school. Please remember that TfL have restricted the free travel service for students. Please seek advice through the TfL website.
3. **Attendance** at school: The government has relaxed the rules on attendance during lockdown. However, this will change in September. The government guidance says: *'Missing out on more time in the classroom risks pupils falling further behind. Those with higher overall absence tend to achieve less well in both primary and secondary school. School attendance will therefore be mandatory again from the beginning of the autumn term'*
4. **Face coverings:** please see the separate guidance sent out regarding face coverings.
5. Your child will be expected to follow strict **behaviour** rules relating to physical contact with other students, and keeping their hands clean. Students will be directed to wash their hands as they enter the school building and regularly throughout the course of the day. Please refer to our visual presentation for you to share with your child which is attached and will also be available on the school website.

6. If your child has **Special Educational Needs and/or Disabilities (SEND)**, we will contact you to explain what provision will look like from September.
7. Our **school canteen** will re-open in September, and lunches will be available again. Students eligible for free school meals will return to having their lunch at school, and will no longer receive lunch vouchers. The offer will be limited and food will NOT be available to purchase before school or at break time. We have staggered lunchtimes and these are as follows:  
**Year 7 & 8** will be from 12.20 – 1.00pm. The main canteen will be divided in two and each year group will be allocated a specific side to ensure we maintain our year group bubbles.  
**Year 9 – 13** will be from 1.20 – 2.00pm. **Year 9&10** will use the main canteen; each year group will be allocated a specific side to ensure year group bubbles are maintained. The canteen will be cleaned after the Year 7&8 lunch.  
**Year 11** will be using the 6<sup>th</sup> form canteen.  
**6<sup>th</sup> Form** will be using the Cleeve Meadow School canteen. This will have been cleaned after the Cleeve Meadow lunchtime.
8. In order to maintain social distancing during break times, we have staggered the start of break for year group bubbles.
9. It will be more important than ever that your child has their own equipment in school to ensure that this does not need to be shared. Please ensure your child comes to school with their own equipment.
10. Students will be expected to wear full school uniform.

Please be reassured that we are taking exceptional measures to make our schools as safe as can be. We will be providing additional emotional and wellbeing support for any students that need it, and will also be providing additional opportunities to support learning where this is required. Although very many of our students have worked hard using our remote learning resources provided by our dedicated teachers, we are fully aware that learning has been lost.
