## HOY Welcome– Ms Tangi

Welcome to the second edition of our fortnightly newsletter. I hope this finds you and your family well. I hope the rainy days we have had recently have not dampened your spirits and you are using this time wisely by logging in and working in your Seneca classrooms. The codes are still active and you will all have multiple classes to join. To join a class - login to Seneca, click on add class on the right hand side and then enter the appropriate code.

Seneca remains the main platform for posting new work and this will be done every two weeks. Ensure that you are checking your school email accounts for updates and emails from your classroom teachers. If you have any queries or problems please email me or your teachers directly. We are here to help.

Believe it or not, half term is coming up. Although it's getting tricky to keep track of days and dates during this strange time, do remember that the May half term runs from Monday 25th May to Friday 29th May. If you've been working hard on your Seneca work during lockdown, use this week to have a break and enjoy some time to yourself. If you're behind on your work... use the time to catch up!

Safe safe and look after each other. Email me if you need anything: [tangik@cleevepark-tkat.org](mailto:tangik@cleevepark-tkat.org).

## BEHIND THE HEADLINES

### SCHOOL CLOSURES

Foreign Secretary Dominic Raab has confirmed that schools will not reopen all at once, as this would lead to a "very real risk" of a second rise in coronavirus infections. Paul Whiteman, general secretary of the National Association of Head Teachers, has said: "There will be huge practical difficulties to solve (for schools re-opening), for example the much-reduced workforce available due to illness and shielding, and the difficulty of achieving social distancing in schools, especially amongst the very young and on the school gate".

Some schools are considering class sizes as staff prepare to mark out two-metre lines in classrooms to keep students apart. Classes will need to be split, using multiple rooms instead of one so the maximum capacity will be half a school. Other schools are looking at staggered start and end times. It may also be necessary to plan to have split days where year groups arrive in the morning and the other half will come in the afternoon.

As soon as we have more information about the re-opening of schools, parents will be notified of our plans. Please be reassured that the safety of students and staff are always our priority.

# Wellbeing

Now, more than ever, we need to make sure we are using our daily exercise time to go for a walk, run or cycle ride. Even a 10 minute stroll can really help. Don't forget though, you must still practice social distancing! If getting out of the house is tricky, then why not put on some music and dance around your bedroom, join an online class or do some stretching while you are watching TV? Exercise makes you feel good so it is important to think of ways you can still do it. For more ideas about staying active while staying safe check out the link below: <https://www.mind.org.uk/about-us/our-policy-work/sport-physical-activity-and-mental-health/>

**Physical contact** and expressing feelings of love and affection can lower stress levels. Giving yourself a **hug** sends a message to the brain that **'we are safe'** and **'we will be fine'**. By closing your eyes while giving yourself a hug and telling yourself **'it's going to be ok,'** can enable you to feel better and enhance your calm and wellbeing. <https://wellbeinginfo.org/self-help/health/relaxation>

Hello!

Goodbye!

This term we say 'Good Luck and Goodbye' to the following staff:

- Ms Walker (English)
- Ms Milbank (Technology)

We are sure you'll join us in wishing them every success for the future

Please also join me in giving a warm welcome to the following staff who join us at Cleeve Park School this term:

- Ms Delia– Savage (Science Technician)
- Ms Flashman (SEN)
- Mr Amechi (SEN)
- Mr Mayell (Photography)
- Mr Smith (Site)

Over the last few weeks, Mr Southby has been keeping busy and working alongside a team of teachers and support staff from both Cleeve Park and Cleeve Meadow School to produce some PPE (scrubs) for our local NHS frontline workers.

As you can see, there is a lot of design work that goes in to making a set of scrubs. You have to start by printing the pattern, cutting out and then stitching it all together. It takes a lot of time and different making stages.

Since writing this for the newsletter, the team have created 15 pairs of scrubs (and are still going!)

Ms Hill has also made 25 visors that are all ready to go. to the Bexley District Nurse Team.

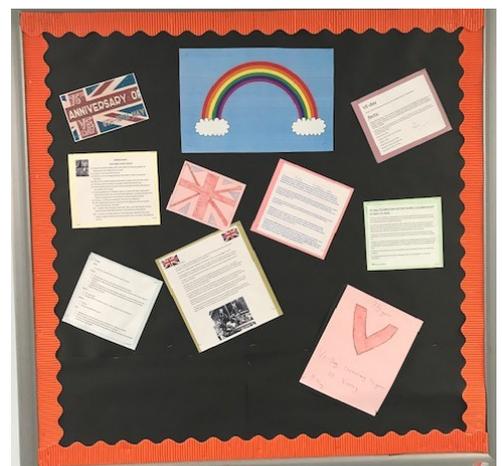

**VE DAY**  
75<sup>TH</sup> ANNIVERSARY  
A SHARED MOMENT OF CELEBRATION  
8 - 10 MAY 2020

VE Day - or 'Victory in Europe Day' - marks the day towards the end of World War Two (WW2) when fighting against Nazi Germany in Europe came to an end on 8 May 1945, Prime Minister Winston Churchill made an announcement on the radio at 3pm that the war in Europe had come to an end, following Germany's surrender the day before.

As this year will be the 75th anniversary, the decision was made to have a bank holiday specially to honour the 75th anniversary of VE Day.

Last week, the some of our students whose parents are key-workers, researched VE Day and created a display from their work.

Well done to the first set of winners who have logged the most time learning on Seneca. You have all won vouchers:

**Holly Wren, Maria Geambasu, James Mayo, Sophie Hollis, Brooke Hanton**

## EXAM STRESS

“The process of identifying students in year 10 who may be eligible for exam support, e.g. extra time, reader, rest breaks, etc., is already underway.

Discussions with these students and, where necessary, individual assessments, will begin as soon as we return to school so that all arrangements are in place in time for the summer 2021 exam series.” **Mrs Russell**

# SENECA

## Learn better, faster, free.

More than 63% of you have created a Seneca account however, only 11% of you have completed work for all your classrooms. You should be in a minimum of 5 Seneca classrooms. Please use the links from last week’s newsletters to access your work, or log-in to your school email account to find your invites from your subject teachers.

If you would like to know how many hours you (or your child) have spent on SENACA, or for any information or support how to access SENACA, please contact me on:
