## HOY Goodbye - Mr. Mackenzie

*As we approach our fourth and final newsletter for Year 11, I am reminded of the saying, 'All Good Things Must Come To An End...'*

To the Class of 2020, it is with great sadness that the time has come for us to part as you begin the first steps on your new life chapters.

I have enjoyed the experience of watching you grow from little boys and girls, into young men and women. I will always remember you and my original form groups 8MAC, 9MAC & 10MAC dominating SPORTS DAYS! I always strived for excellence and my form group never let me down.

I must also mentioned the Football Team. We worked tirelessly on our football and you have now become the "ELITE" team everyone wants to be like! Thank you for being a great bunch and always remember the Tour of Ajax!

Others. I have had the pleasure to teach PE and can honestly say you are the best bunch of students I have ever worked with.

Taking over as your Head of Year was a fantastic achievement for me personally and I thoroughly enjoyed it. The whole year group have been immense and you really did me and yourselves proud. From attending interventions, to putting in the extra effort to ensure you did all you could for your grades.

I will never forget you all and I wish you nothing but the best of luck in your next steps and whichever career path you choose.

Remember always give everything 100%. If you need anything, please feel free to email me!

**Stay Safe, Mr Mackenzie**

**CHALLENGE YOURSELF!**

For your final challenge this week, I would like you to reflect on your memories here at Cleeve Park. Consider writing them down into a diary so you can read back on them in years to come.

**Class of 2020**

Hoodies and Year Books will be in school sometime during the summer holidays. These are usually given out on GCSE Results Day.

**It is not too late to order your Year Book or Hoodie!**

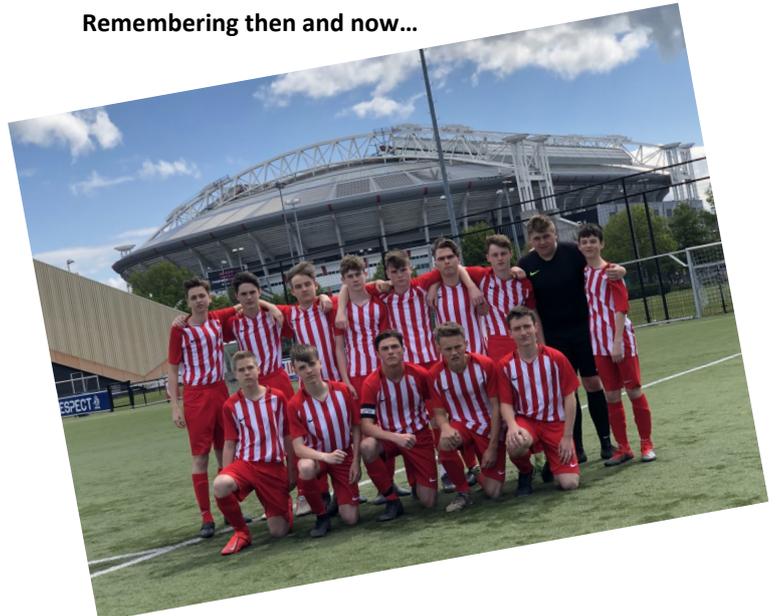

**Please email me urgently if you would like one**

**Above and Below– the Football team.**

**Remembering then and now...**

Best of luck to you all, but particularly 11X1 English.

I hope you enjoyed the lessons and the debates as much as I did— I am sad to see you go. Just remember:

*Stop doubting yourself, work hard and you will make it happen!*

**Ms Hayden**

Class of 2020

Congratulations Year 11- you have achieved so much whilst at Cleeve Park.

I will remember you all fondly.

Take care and Good Luck!

# Saying Farewell...

## 11DUC

It's been so lovely to get to know you; over the last few months for some, and over the last couple of years for others. You were a great way to start the day at Cleeve Park and I've loved watching you grow into kind, polite, smart and mature teenagers! Did I just say "mature"? Well...for most!

I wish you the very best in life and will (obviously) end with a very simple quote I value:  
"Life is what you make it"

## 11KAR

*"My dear form group, it's been a real pleasure tutoring and teaching many of you. I wish you all the best of luck in the future wherever you end up in these strange times. You are more resilient now, aim high and follow your aspirations!"*

Thanks,  
Mrs Karakas

## 11KEE

Year 11, at this point you should have been coming to the end of your GCSEs so it's now time for us to say goodbye for the summer. To those coming back next year, I'll hopefully see you very soon. To those that are going on to other places, make sure you come back and visit.

Good luck to all of you in the future!  
Remember, we're still here if you need anything.

Hopefully we'll be able to get some kind of results day and we'll see you again then.  
Good luck, stay safe, and enjoy the summer as much as you can.

*Goodbye Year  
11, thank you  
for the memo-  
ries, the fun and  
the laughter.*

*I hope you have  
learnt whilst  
being here at  
Cleeve that mis-  
takes are proof  
that you are  
trying.*

*Keep pushing  
yourselves and  
you can achieve  
anything.*

*Best of luck,*

*Mrs Tyler -  
Maher*

### 11A Maths-

THE BEST MATHS CLASS EVER. : It was not the chairs, desks, white-board, and books that made our class interesting. Your presence made the difference.

I will always miss you, dear students, because I know you all are the finest ones I have ever met.

Thank you for coming into my life. Thank you for giving me the privilege to sow seeds of greatness in you. Thank you for bearing the fruit of excellent results. My Joy today is your success. . As you move higher in your pursuit of success, it is my prayer that you will emerge as one of the greatest leaders of our time.

Mrs Kowalczyk

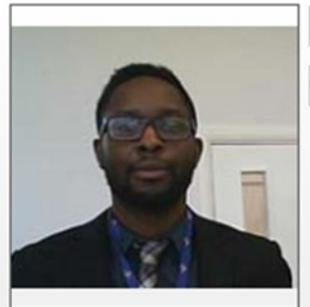

### 11D Maths

I wish everyone from 11DMA all the best. Best class I ever taught. BEST MATHS CLASS - FACT. Ask Dylan. In year 10, they couldn't add and year 11 now they can't read. All banter aside, I'm proud to have taught you and am so happy with all the progress you made - even the students that abandoned me to set 2 and 3. Don't forget the circle song.

PS Dr. Charafi said good luck and as promised to Dylan who proved me wrong in the mock, I admit you are kinda good at maths

Mr Onabanjo

### Mrs Hobbs

Year 11s , this has been an amazing year and yet strange and challenging at the same time!

Getting to know you all and seeing you all grow from children into wonderful confident young people has been wonderful and I feel confident that you now have the tools to use to go into the wide world and to continue with your chosen careers.

I feel very proud of you all and wish you success and happiness. This is not the ending I would have chosen for you, or could have imagined as I am sure we all would have loved to have said farewell at your year 11 prom but this wasn't to be !

(Sometimes we just have to go with the cards we are dealt)

But the most important thing is you are all safe and well and very soon you will all begin the next start of your journeys !

I wish you well and thank you ! Thank you to you all ! Kind regards Mrs Hobbs

## How Are You?

We would love to know how you are, and what you have been doing which has personally helped your mental wellbeing during lockdown? Please do also share any struggles or challenges you have faced, and how you have dealt with them. Being open and honest about our experiences (good and bad) can have a really positive impact on our own mental health and can also encourage others to talk and share their worries too. Email [tellit@clevepark-tkat.org](mailto:tellit@clevepark-tkat.org) with anything you would like to share - your stories can make a real difference and will remain anonymous (unless you want to be named). THANK YOU SO MUCH!

### It's cool to be kind.

#passthepraise

Last week's mental health awareness was all about 'kindness'. Can you email [tellit@clevepark-tkat.org](mailto:tellit@clevepark-tkat.org) with any acts of kindness you carried out (or kindness shown to you) and how it made you and the other person **feel**. We would love to share these experiences in our next newsletter!

# Cleeve Meadow Opens!

“Our vision for Cleeve Meadow students being fully integrated into our school community has come to fruition. The opening of this amazing building will inspire the next generation of Cleeve Meadow and Cleeve Park learners to achieve their potential and shine.”

This week was very exciting as, finally- we were able to celebrate the opening of Cleeve Meadow School on the Cleeve Park site.

Cleeve Meadow School has been designed to provide specialist education for 120 pupils aged 11-19 with moderate learning difficulties. The new school will be managed by The Kennal Academies Trust (TKAT) part of its family of 45 Academies across London and the South of England.

Executive Head teacher Mrs Tyler-Maher officially took possession of the keys to the new building from Project Manager David McPherson,

on behalf of the construction team at Galliford Try.

The new free school has 12 teaching rooms, a therapeutic hub, large open plan library and IT space. Facilities also include a specialist music department, performing arts centre and a full-sized artificial football pitch that will also be available for Cleeve Park School pupils to use.

Existing and new pupils will be welcomed from September 2020, once all the IT facilities and furniture are installed.
