Goodbye– Mrs Osman & Mr Luck

Dear Year 13s,

It is a heavy heart that the time has come for us to say 'Goodbye' to our Year 13 students.

Although this year has been very different to the one we planned, we are confident that you are ready to take the next steps and move forward with your lives.

It has been a privilege to watch you mature and grow into young adults and we have fond memories of you all.

Although this is the last newsletter, we will still be in touch with some of you regarding your next destinations and are happy to help you with any advice or guidance you may need when applying for apprenticeship or university.

In the meantime, those that are off to university have you applied for your student finance to cover your tuition fees and maintenance fees? If not here is the link!

Details regarding Results Day will be sent out to you as soon as arrangements are confirmed.

It would be lovely to hear from you with updates on your progress– stay in touch!

Mr Luck & Mrs Osman.

This week I challenge you to read a new book. Reading is very relaxing and can help you maintain a positive well-being as it encourages you to switch off from the world and take some time out.

Email me with the titles and a plot summary of the books you have read over the next 2 weeks.

NEED ADVICE?

Don't forget– Mrs Unger is available to help you research any courses and universities you may be interested in.

Drop her an email on: undera@cleevepark-tkat.org

Unlike many students who are on the more traditional course such as BTECs, or A-levels, some of our Year 13 students are enrolled on an EPQ and the CISI Finance course. Both of these qualifications still require students to complete units of coursework (despite the fact school has been closed) in order to receive their final grades. For this reason Mr Seaward would like to give a shout out to the following students:-

- Doran Gouveia**
- Milly Howe**
- Logan Mee**

CISI Finance Extended Project

- Derrick Grant**
- Joshua Homer**
- Oliver Hutchon**
- Ben Lawrence**
- Gabrielle Park**
- Ronnie Scott**
- Louis Skerritt**
- Dylan Tanner**

As a school, we are fortunate enough to be a member of the Jack Petchey Foundation, which gives us the opportunity to reward any of our students who, despite facing adversities are still working hard to achieve.

Students can be nominated for this award in a range of ways.

There is a teacher nomination, peer (other student) nomination or (for this year only and due to the unforeseen circumstances that have arisen due to COVID 19) a nomination can be made via a family member.

The type of student eligible to win this award is the type of student that is 'going the extra mile'.

Do you know any one in our 6th form that has a part time job as a key worker, for instance?

Students that have stepped up as big brothers and sisters throughout this pandemic to help with home-schooling siblings so that their par-

ents can go to work would also qualify.

Other candidates could be students that have taken time to volunteer for a local project such as cleaning up the environment or making PPE equipment for local hospitals

Although not all of us are back at school, I would like to encourage people to email me with their nominations.

Potential winners are selected by a member of SLT at the school, and receive £300 which they can spend to benefit the school, facilities or in various other ways.

If you have a friend that is a student from Cleeve Park School that you would like to nominate, please email me with their details and the reasons why you think they are eligible before the 18th June.

How Are You?

We would love to know how you are, and what you have been doing which has personally helped your mental wellbeing during lockdown? Please do also share any struggles or challenges you have faced, and how you have dealt with them. Being open and honest about our experiences (good and bad) can have a really positive impact on our own mental health and can also encourage others to talk and share their worries too. Email tellit@clevepark-tkat.org with anything you would like to share - your stories can make a real difference and will remain anonymous (unless you want to be named). **THANK YOU SO MUCH!**

EMERGENCY
 APPEAL

“Our vision for Cleeve Meadow students being fully integrated into our school community has come to fruition. The opening of this amazing building will inspire the next generation of Cleeve Meadow and Cleeve Park learners to achieve their potential and shine.”

This week was very exciting as, finally- we were able to celebrate the opening of Cleeve Meadow School on the Cleeve Park site.

Cleeve Meadow School has been designed to provide specialist education for 120 pupils aged 11-19 with moderate learning difficulties. The new school will be managed by The Kemnal Academies Trust (TKAT) part of its family of 45 Academies across London and the South of England.

Executive Head-teacher Mrs Tyler-Maher officially took possession of the keys to the new building from Project Manager David McPherson,

on behalf of the construction team at Galliford Try.

The new free school has 12 teaching rooms, a therapeutic hub, large open plan library and IT space. Facilities also include a specialist music department, performing arts centre and a full-sized artificial football pitch that will also be available for Cleeve Park School pupils to use.

Existing and new pupils will be welcomed from September 2020, once all the IT facilities and furniture are installed.
