## HOY Welcome– Ms Tangi

Welcome to the sixth and final edition of our fortnightly newsletter.

I hope this finds you all well. Can you believe we have come to the end of another academic year – and what a strange old year it has been?!

Year 10 started off well with the introduction of a brand new uniform. Out with the blue and in with maroon. I have to admit, I was unsure at first but once I saw you all in your new uniform, I actually preferred it.

Other things I remember from the last 11 months, include watching you all settle into the Autumn term and your new option classes and celebrating the October half term with a Halloween Quiz morning in the hall.

As Winter drew in, we returned to long dark nights and as we prepared for the lead up to Christmas, I was able to reward some of you for your hard work with a Bowling trip to Bexleyheath (I still love my cactus light).

With the New Year came the spring term and our focus began to shift to mock exam preparations. We welcomed the half term break with a Jumanji movie session in the hall. It was when we came back from half term that school as we knew it, would change...

The last few months have been unprecedented and we have all had to learn new ways of teaching and learning as well as trying to process a very frightening time. I am so proud of you all for how you have dealt with things. It has not been plain sailing, but those of you that have put in the work will benefit from this when we return in September. Use the summer to unwind and relax but don't switch off completely. Continue to do some work, you have a number of different resources to support your learning and by keeping focused – the return to school will be much easier. Even though it is the summer, I will still be available so email me if you need.

*Stay safe, be kind and make good choices. I will see you all soon. Ms Tangi*

CHALLENGE  
YOURSELF!

This week's Challenge is for all the parents that read the Newsletter.

Many of you will not know but I create a year-book for the students detailing their journey through school (7-11).

I would like to represent the lockdown period and I need your help. I know that the students have learnt some excellent life skills during this time and I would love to showcase this.

Could you please email me any photos of things that your child has baked, built, sewn, or constructed during lockdown. For Data Protection, please do not send photos of students.

## STAR OF THE WEEK

I chose this picture because it stood out. The majority of the colours are dull, which make the bright red pole and chair stand out.

The elderly couple sitting on the bench eating their food is in direct contrast to the overflowing rubbish bin and rubbish on the floor; this is not a very pleasant place to eat your food; why couldn't they find somewhere nicer to eat their meal?

Despite the baby in the overflowing buggy and rubbish everywhere the baby still looks very happy. Its like the people in the picture represent 3 generation because you have the baby the old couple and the middle aged.

The pole draws your mind to the rubbish and then you start to look at the old people eating there food, then there eyes draws you to the baby. The juxtaposition is the food and rubbish, baby and old couple.

## How to use laughter to lift your mood

It's well-known that laughter is a great stress-reliever, and a regular dose of hysterics can do us the world of good. But what happens when we're feeling low and struggle to find the 'funny' side?

This 4 minute read is well worth the time and can definitely help to lift your mood.

## Mental health lessons we've learned in lockdown

Five people share what lockdown has taught them about their mental health, and what they hope to keep up as we ease back to normal.

Well done again for successfully logging onto Google Classrooms over the last week.

If you haven't already, please make sure your access is working, as you will be set work to do over the summer and the school will not be open to respond to any queries or questions you might have if things go wrong with your log-in and passwords.

**10AWO** - This has been a strange school year with the many unprecedented situations that we have all had to cope with the last couple of months. I commend you all for the courageous way you have embraced whatever COVID 19 has thrown across your individual paths. As we have now come to the end of the school year that we will remember for a long time to come, I can only say well done to those of you who have worked relentlessly to continue with your learning through the various learning platforms. Enjoy your summer break, get plenty of rest and recharge yourselves for what will be a challenging year as you face your GCSE exam. Do some revision and return to school in September with the confidence of knowing that all your teachers will work with you to ensure that your GCSE year is as smooth as it can possibly be. Have a lovely summer break. *Miss Awofeso*

**10BOX** - Congratulations of finishing another academic year. It has been a strange one for sure and you have done well to cope with all the changes that have taken place. As we move into the summer, have a lovely break. Keep working throughout the holidays as next year will be challenging with your GCSE so it is important you stay focussed. I wish you and your family a safe holiday period and look forward to seeing you when we return. Take care. *Miss Boxall*

**10CEL** - You have finally made it to YEAR 11! Well done to every single one of you for being so fantastic this year even when you were faced with some huge challenges! Keep working hard but remember to find some balance and keep your wellbeing at the top of your priority list. Stay safe and I look forward to seeing you all in September. *Miss Celeb*

**10HYW** - Well done on finishing another school year especially within the current climate. Keep up the good work that you have shown this year and come back ready and refreshed to start year 11. I wish you and your families a safe holiday a well-deserved break and I look forward to seeing you all when we return to school. *Miss Hayward*

**10MCN** – I hope you are all well and these past 4 months have not been too hard on you and your loved ones. As we reach the end of this crazy academic year I wanted to wish you a lovely summer and a successful Year 11. I'm very sad to say that I won't be joining you on the last year of your journey and that I don't get to break the news to you in person. There may be some changes and confusion as you enter Year 11 but you have a strong captain steering the Year 11 ship and you are a good crew. Best of luck, it has been an absolute pleasure. *Mr McNiffe*

# Executive Head-teacher's Address

Hi Everyone,

This is my very last message to you before I leave next week to go and lead a performing arts university. I am however counting on being invited back to see the wonderful productions that you will be able to showcase in your very fancy new theatre - which is truly amazing - or for the sports men and women out there, seeing you win trophies on our new 3G pitch - which is also truly amazing.

Looking back over the past 8 years I feel so lucky to have had the privilege to be a part of your lives, helping to nurture and see so many of you develop from children into young adults. Our school has become a school of choice in our local community. That is something all of you must and should be proud of because you and our staff make up that amazing community. When visitors come to look around the school they feel the strength of your personalities shine through - don't let anyone take that away from you. I am so very proud to have been Head Teacher of Cleeve Park School.

When you are all back in September, having had almost 6 months out of school, it may feel strange but remember the staff will be there, as always, to guide and support you. Follow their guidance and before you know it you will soon get used to the new way of working.

My message to you all is to seize every opportunity available to you, make the most out of your time and you will flourish. I have had the most amazing journey at Cleeve Park, one I will never forget.

Please look after yourselves, be safe, be brave and make every moment in your life matter.

With best wishes to you all ,

Jenni Tyler-Maher
