HOY Welcome– Mr Southby KS3 Achievement Awards

Welcome back to the final edition of our school Newsletter.

It is finally here– the end of term, and with it my last opportunity to recognize and reward some of you for your hard work and effort, not just through lockdown, but since you started in September. I know that I say this each time in the newsletter, but I am so proud of you all– the stories and photos you have been emailing me remind me everyday why I love my year group, and I am thrilled that I will be continuing as your Head of Year into Year 8.

Normally, we would have an awards evening to celebrate all your successes throughout Year 7, but as this is not possible due to the pandemic, we have put together this special edition Newsletter for teachers to nominate students who deserve a special prize for their work ethic and attitudes. If you have been nominated for an award, you will receive a Bluewater gift voucher and certificate from the designated subject area. We will send the certificates in the post, but your Bluewater voucher code will be emailed to you.

The fact that several people have received more than one nomination is testament to what a fantastic bunch you are! I hope your positive attitudes continue into Year 8 so we can celebrate many more achievements together.

Finally, as it is the end of term, it is time to say ‘farewell’ to our wonderful Executive Head-teacher, Mrs Tyler-Maher. I am sure you will agree that Mrs Tyler- Maher will be missed massively and has been such an inspiration to all our students- a caring and understanding teacher with an amazing ability to make even the saddest person feel happy.

It was lovely seeing some of you in our assembly last week and I am looking forward to seeing you all back in school from September.

Stay safe– Mr Southby

The Head of Year Award

It is my honour to announce that the students I have nominated for my ‘Student of the Year’ awards are: Maddison Vidler and Kai Foley

Maddison has not always found it easy at school, but she has overcome all obstacles in her way. A resilient, friendly and caring student, Maddison first came to my attention when she thanked staff for a rewards trip. She is always polite and helpful and can be relied upon to always do the right thing. She is an excellent representative of Cleeve Park School.

Kai has been an exceptional student from start to finish. From the moment Kai came to school at Cleeve Park, his attitude and commitment were exemplary. This is a ‘can do’ student that deserves all the credit he gets. Kai did at times find it difficult here at secondary school but always found a way to overcome the barriers. His support to his fellow class-mates and students in need has been an inspiration to all. An absolute pleasure to teach and to have as a member of my year group.

The KS3 Achievement Awards

Art

Award for Dedication and Commitment to Studies:

Robyn Cobb - For consistently working hard and completing tasks to the highest quality, with intricate attention to detail.

Award for Academic Excellence

Charlie Harries - For completing excellent work and showing true creativity and flair, whilst being a pleasure to teach.

Science

Award for Dedication and Commitment to Studies:

Issac Lawrence- For continuously trying hard and putting great effort into his studies

Award for Academic Excellence:

Grace Tunsley– For hard work, dedication and outstanding outcomes.

The KS3 Achievement Awards

Executive Head-teacher's Address

Hi Everyone,

This is my very last message to you before I leave next week to go and lead a performing arts university. I am however counting on being invited back to see the wonderful productions that you will be able to showcase in your very fancy new theatre - which is truly amazing - or for the sports men and women out there, seeing you win trophies on our new 3G pitch - which is also truly amazing.

Looking back over the past 8 years I feel so lucky to have had the privilege to be a part of your lives, helping to nurture and see so many of you develop from children into young adults. Our school has become a school of choice in our local community. That is something all of you must and should be proud of because you and our staff make up that amazing community. When visitors come to look around the school they feel the strength of your personalities shine through - don't let anyone take that away from you. I am so very proud to have been Head Teacher of Cleeve Park School.

When you are all back in September, having had almost 6 months out of school, it may feel strange but remember the staff will be there, as always, to guide and support you. Follow their guidance and before you know it you will soon get used to the new way of working.

My message to you all is to seize every opportunity available to you, make the most out of your time and you will flourish. I have had the most amazing journey at Cleeve Park, one I will never forget.

Please look after yourselves, be safe, be brave and make every moment in your life matter.

With best wishes to you all

Jenni Tyler-Maher

The KS3 Achievement Awards

Well done again to all our students—if you didn't win an award this term, don't be disappointed. By logging onto Google Classrooms over the summer and completing the work set, you will be in a strong position to be nominated for an award from your Head of Year in the Autumn term.

If you aren't sure how to use Google Classrooms, please check your emails as your log-in details— and videos that show you how to access and submit work -have already been sent to you.

You can also follow the steps below...

- 1 Go to Google.com. Click the sign in button in the top right**
- 2 Enter your Google Classroom username and password then click next. Your login details were sent to your school email**
- 3 Click the nine dots in the top right then select Classroom. You will now see all your classes on Google Classroom.**
- 4 Choose a class, then click classwork at the top. Click the lessons to view a video or PPT. When you have gone through all 3 lessons select the task, Click view assignment at the bottom**
- 5 When the task opens, read the instructions carefully, then click on the worksheet/link/PowerPoint/quiz. If it is a worksheet or PowerPoint, click the 'Open with' button at the top and select either Google Slides or Google Docs to be able to write on it. Complete the task and when finished, close the tab. It saves automatically**
- 6 To submit the work, click the 'Add or create' button, then select Google Drive. When you see the pop up appear, select the first file in the top left and then click Add. Click the hand in button to submit work. If you have anything else to say, use the Private comment box below to submit additional comments to your teacher**
