## **Introduction**

As part of the TKAT family, our shared and common purpose is to work together to ensure that every child, whatever their background, receives a high-quality education. We have a shared belief that excellent school attendance is a critical factor in your child's achievement at school and we are committed to helping every child and their family to achieve this.

Excellent attendance is the responsibility of the whole school community. For your child to gain the greatest benefit from their education they should be at school, on time, every day the school is open unless the reason for the absence is unavoidable.

We appreciate that the barriers to accessing education can be wide and complex, both within and beyond the school gates, and are often specific to individual pupils and families. Improving attendance is everyone's business: effective communication and joined-up working are paramount.

This policy considers our obligations under the equality act 2010 and the UN Convention for the Rights of the Child.

**The roles and responsibilities of the Trust, our School, parents and pupils, can be found in Appendix C and how we manage absences in Appendix D.**

## **Our school commitment**

Our School strives for 100% attendance for all pupils, however we appreciate that children can be ill or have rare unavoidable absences for other reasons. Therefore our overall school target is at least 95% attendance.

All staff are made aware of how each of their roles impacts on attendance and punctuality and that every member of staff, regardless of their role, can make a difference (See Appendix C for 'Roles and Responsibilities'). All staff will receive training commensurate with their roles.

The school will listen to and support pupils and parents/carers to achieve good attendance and punctuality and will work closely with them where absence is a cause for concern.

We will report to you 3 times per year on how your son/daughter is performing in school, including what their attendance and punctuality rate is and how this relates to their attainment.

We will celebrate and reward good and improving attendance by displaying individual and class achievements and through class competitions, certificates and other events.

## **Our Expectations of Parents / Carers**

**In line with government guidelines, we expect parents and carers to:**

- Ensure your child attends every day the school is open except when a statutory reason applies.
- Notify us as soon as possible when your child has to be unexpectedly absent (eg: sickness).
- Only request leave of absence in exceptional circumstances and do so in advance.
- Book any medical appointments around the school day where possible.

**Further information on understanding attendance can be found in appendix A**

## **Absence Procedures**

The school day starts at 8.30am and ends at 3pm. The school canteen is open and supervised from 7.30am and students are able to access hot food and drinks and also use the hard court area.

An attendance register will be taken each school day at the start of the first session and once during the second session. Students will be recorded as

- present
- attending an approved educational activity
- absent
- unable to attend due to exceptional circumstances

Registers will be recorded according to the Department for Education Attendance and Absence codes and TKAT agreed operating procedures for coding and register management.

### **If your child is absent you must:**

- Contact us before 9.00am on the first day of absence and every further day of absence until they return by phoning our absent line number 0208 302 6418 or use the parent reach app.
- Provide medical evidence such as a doctor / consultant note if your son/daughter's attendance is below 90% and you have received a letter informing you that their attendance is a cause for concern.

### **If your child is absent we will:**

- Contact you on the day of absence if we have not heard from you.
- Contact you if your child has an attendance of less than 90% to inform you that documentation will be required to authorise any absence due to illness. This can be a doctor's note, hospital letter, appointment card, copy of prescription or packaging from prescribed medication.
- Invite you in to discuss the situation with a member of staff if absences persist.
- Refer the matter to the Education Welfare Officer (EWO) or Local Authority Officer if attendance is a concern.

## **Who to contact and where**

Reporting an absence on the day: Louise Lawrence Attendance Lead

Medical evidence explaining the absence should be sent to: Louise Lawrence Attendance Lead

More detailed support on attendance: Louise Lawrence Attendance Lead

The senior leader responsible for the strategic approach to attendance is: Carol Bonner

**For more information on types of absence please see Appendix A**

**For information on how we track and monitor attendance see Appendix B**

## **Persistent Absence (PA)**

In accordance with DFE guidance, your child becomes a 'persistent absentee' when they miss 10% or more schooling across the school year for whatever reason. This means 19 or more days of absence over the whole year.

We monitor all absences thoroughly. Any case that is seen to have reached the PA mark or is at risk of moving towards that mark is given priority and Parents/Carers will be informed of this immediately.

**In these circumstances we expect parents and carers to:**

- Work with us and other agencies to help us understand your child's barriers to attendance.
- Proactively engage with the support offered which may include more formal support such as a parenting contract and / or a voluntary early help plan.

**We will:**

- Put additional targeted support in place to remove any barriers, including working with other partners where necessary.
- Work with other schools in the local area, such as schools previously attended and the schools of any siblings.
- Hold more formal conversations with parents and be clear about possible future legal interventions where there is a lack of engagement.
- Intensify support through statutory children's social care if we have safeguarding concerns.

### **Severe Absence (SA)**

In accordance with DFE guidance, your child is considered to be a 'severe absentee' if they are absent for more than 50% of their current attendance. This would mean over 95 days of absence over the whole year. Any pupil who is at this level of attendance is deemed to be at serious risk of harm.

**In these circumstances we expect parents / carers to:**

- Work with us and other agencies to help us understand your child's barriers to attendance.
- Proactively engage with the support offered which will include more formal support such as a parenting contract and / or a voluntary early help plan.

**We will:**

- Continue support as for persistently absent pupils.
- Agree a joint approach with the local authority and consider a whole family plan, EHCP, or alternative form of education provision.
- Consider, through the local authority, conducting a full children's social care assessment and build attendance into children in need and child protection plans where they exist.

### **Term Time Leave of Absence and Holidays**

The school will only consider a formal application (**See Appendix E**) for a leave of absence at least one month in advance of the dates requested. Only exceptional circumstances will warrant a leave of absence. We will consider each application individually and take into account exceptional circumstances. Our policy is **not to authorise any family holiday during term-time unless there are exceptional circumstances.**

The following factors will be considered:

- Can this event take place in the school holidays?
- What the current level of attendance is and unauthorised absence over the year to date.
- Any leave of absence taken previously.
- The time requested linked to examination / assessment period.
- Age and year group of the pupil.

The school will not consider

- The availability of cheaper holidays.
- The availability of the desired location.

- An overlap at the beginning or end of school term.
- The working pattern or availability of parental holiday entitlement.

Any period of leave taken without the authorisation of the school, or in excess of that agreed, will be classed as unauthorised and will be referred to the Local Authority to issue a Fixed Penalty Notice fine.

## Vulnerable children

It is recognised widely that some groups of pupils are more vulnerable to poor attendance than others. Pupils with medical needs, SEN, Disabilities, Young Carers, Pupils with a social worker or in receipt of the pupil premium are likely to require more targeted support. These groups will be carefully monitored and intervention targeted appropriately. In exceptional cases, schools can gain advice from the TKAT Central Inclusion team.

The school recognises that “all schools (including academies) must agree with the relevant local authority, the regular interval that the school will inform the local authority of any pupil who fails to attend school regularly, or has been absent without the school’s permission for a continuous period of 10 days or more”, (DfE guidance, October 2016)

## Long term absence and reintegration to school

### **Pupils with medical conditions, special educational needs and disabilities**

If a student with a diagnosed medical condition has a period of long term absence, parents/carers need to contact the SENCo, who will work alongside the attendance staff to ensure a designated key worker is identified. The key worker will be responsible for collecting work, or checking it has been set on Google classroom and arranging for it to be collected and returned.

If a student is off school for more than two weeks, the key worker will arrange regular contact with the parents/carers to go through work that has been set and to discuss the next phase of support. If meetings are conducted in school, it is advised that the student should attend so that they can ask any questions about the work and so that they can maintain their contact with the school. In exceptional circumstances, where a student is unable to attend these meetings in school, home visits may be carried out by the key worker.

Following a period of long term absence due to health problems, reintegration will be supported to enable pupils to re-engage with their learning as smoothly as possible. Meetings will be held with the SENCo, a member of the pastoral team, medical professionals (as appropriate) and the parents/carers and pupil to ensure that the reintegration is structured to facilitate a smooth transition. Where appropriate, personalised timetables and supported lessons will be arranged, to allow for a phased return to school. Social time is also supported so that pupils who have been absent for prolonged periods can feel confident as they reconnect with their peers.

## Part-time timetables

A part-time timetable will only be in place for the shortest time necessary and will not be treated as a long term solution. It will be time limited with regular two weekly review meetings with a view to the pupil attending full-time. In agreeing to a part-time timetable the absence will go down as authorised by the school.

## Legal Interventions

At all times schools within the Trust will try and support parents/carers without the use of legal intervention. However, if parents/carers are not supporting good attendance, the school, via the local authority, may exercise its legal powers to address poor attendance in school with all parents/carers who have the day to day responsibility for the child. These interventions include:

- **Parenting Contract** - A parenting contract is a formal written agreement between a parent and the school to address poor attendance. It is intended to provide support and offer an alternative to prosecution. If there is non-compliance then an alternative course of action will be taken which may lead to fines and prosecution.
- **Education Supervision Order (ESO)** - This can be used when a formal parenting contract has failed. It is an action plan that would be overseen by the high or Family Court. Non-compliance with the directions given in an ESO can lead to a fine of up to £1000.
- **Penalty Notices** - Section 23 of the Anti-Social Behaviour Act 2003 allows penalty notices (fines) to be issued to parents/carers. They are an alternative measure to the prosecution of parents/carers who fail to ensure that their child attends school. A penalty notice will be issued by the local authority in line with its code of conduct when a child's absence has not been authorised by the school. This is issued to any adult with parental responsibility for each child. The penalty is £60 per parent/carer per child if paid within 21 days, increasing to £120 per parent/carer per child if paid between 21 and 28 days. If one or both parents/carers fail to pay the penalty notice in full, then the local authority may decide to prosecute the parents/carers.

Prosecution: If a child fails to attend school regularly at which they are registered then the parents/carers may be guilty of an offence and may be prosecuted by the local authority. They have the power to prosecute parents/carers who fail to comply with a school attendance order under section 443 of the Education Act 1996 or fail to ensure their child's regular attendance at a school under section 444 of the Education Act 1996. The fines available to the courts if the parents/carers are found guilty could be between £1000 and £2500. The courts can also sentence parents/carers for imprisonment for up to 3 months.

- **Parenting Order** - The order requires a parent to comply with the arrangements specified in the order by the Court which can include a requirement for parents to attend counselling or guidance sessions (e.g. parenting education or parenting support classes) where they will receive help and support to enable them to improve their child's attendance for up to 3 months. Any breach of the order can lead to a fine of up to £1000.

## Legal Duties

Section 7 of the 1996 Education Act places a duty on Parents and Carers to ensure that children of compulsory school age receive efficient full-time education suitable to the child's age, ability, aptitude and to any special needs that the child may have. Parents and Carers have a legal duty to ensure their child's regular attendance at the school where they are registered.

A Parent or Carer who fails to ensure that their child attends school regularly is guilty of an offence under section 444(1) of the Education Act.

The school has a legal duty to publish its absence figures to parents/carers and to promote attendance. Equally, parents/carers have a duty to make sure that their children attend.

### **Understanding attendance types**

Schools are required to take an attendance register twice a day. This shows whether the pupil is present, engaged in an approved educational activity off-site, or absent. If a pupil of compulsory school age is absent, every half day absence has to be classified by the school as either **authorised** or **unauthorised**.

If an absence is authorised then this means the school has given approval in advance for a pupil of compulsory school age to be absent or has accepted an explanation offered afterwards as the reason for absence.

An unauthorised absence is where the school is not satisfied with the reasons given for absence or no reason is given. It may also be unauthorised if attendance level is below target and no medical evidence has been given.

This Attendance Policy includes procedural referral agreements that are designed to promote and safeguard the welfare of pupils. TKAT schools have a duty to refer to the Local Authority any child of compulsory school age who is

- continuously absent from school for 20 sessions (2 weeks) without explanation
- has irregular attendance
- is persistently late to attend school
- has an unauthorised leave of absence

### **Definitions**

**Session** - is a term related to the recording of absence data. Each school day has two sessions, morning and afternoon registration and attendance must be recorded for each.

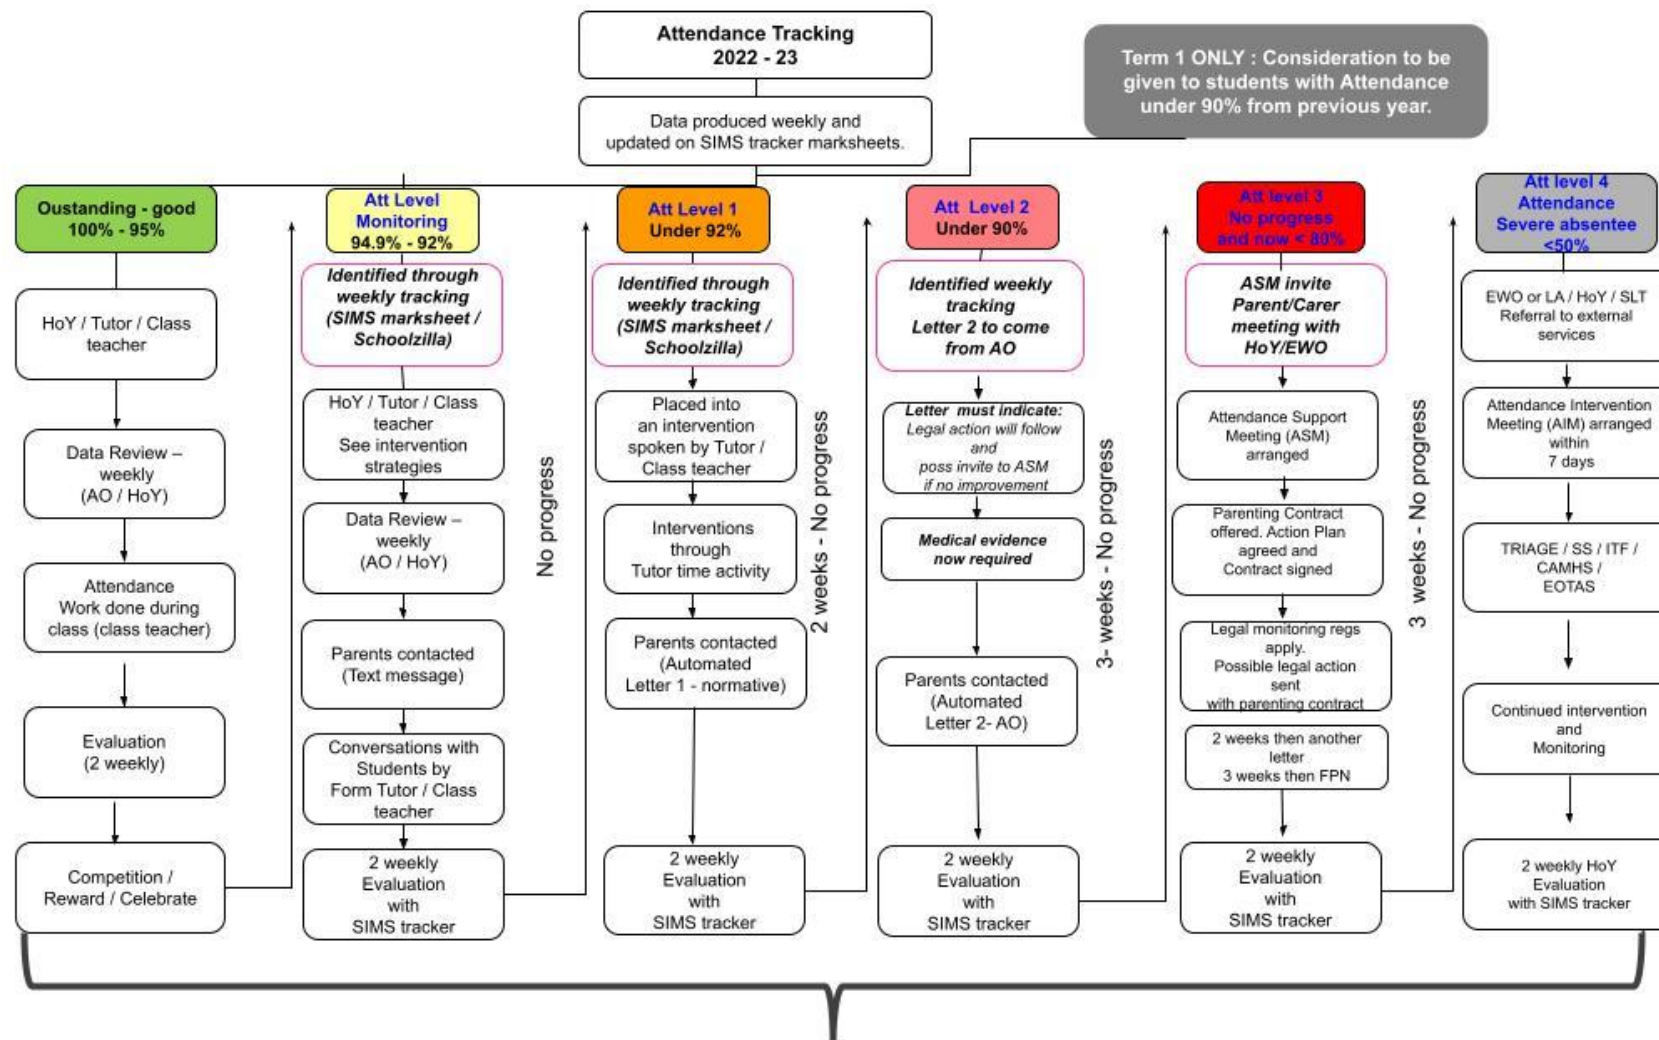

**Authorised absence** - This means the school has given approval in advance or has accepted an explanation for absence.

**Unauthorised absence** - This is where the school is not satisfied with the reasons given for absence or no reason has been given.

**Persistent absentee (PA)** - The government threshold for Persistent Absence is 90% or lower. This includes ALL absence regardless of whether it is authorised or not. Absence at this level is doing considerable damage to any child's educational prospects and we need parents and carers' support and cooperation to tackle this.

**Severe absentee (SA)** - The government threshold for severe absence is 50% or lower. This includes ALL absence regardless of whether it is authorised or not. Any pupil who is at this level of attendance is at serious risk of harm and we need parents and carers' fullest support and cooperation to tackle this.

## **Appendix E**

### **Leave of Absence During Term Time Request Form**

#### **Guidance Notes**

- Please ensure this form is completed at least 1 month prior to requesting leave.
- Completing this form does not mean your request has been approved. – The Education (Pupil Registration) Regulations 2013 state that headteachers may not grant any leave of absence during term time unless there are exceptional circumstances (see below).
- If your leave of absence is either approved and you fail to ensure that your child returns to school by the agreed date or your child takes leave when your leave of absence request is not approved, then the absence will be marked as 'unauthorised' on the attendance register.
- For such 'unauthorised' absence, you may be liable to be issued with a penalty notice (fine). The fine is £60 per parent per child if paid within 21 days, increasing to £120 per parent per child if paid between 21 and 28 days. If one or both parents fail to pay the penalty notice in full, then you may be prosecuted. The school also reserves the right to remove your child from the roll of the school. Where this happens, please be aware that it may not always be possible to re-admit your child to the school.

#### **Exceptional circumstances:**

The Headteacher / Principal will consider if the reasons are rare, significant, unavoidable and short and will also take into consideration the following:

- Can this event take place in the school holidays?
- What the current level of attendance is and unauthorised absence over the year to date.
- Any leave of absence taken previously.
- The time requested linked to examination / assessment period.
- Age and year group of the pupil.
