## Purpose of the policy

The centre is committed to ensuring that the exams management and administration process is run effectively and efficiently and in compliance with the published JCQ regulations and awarding body requirements.

This exam policy will ensure that:

- all aspects of the centre's exam process is documented, supporting the exams contingency plan, and other relevant exams-related policies, procedures and plans are signposted to
- the workforce is well informed and supported
- all centre staff involved in the exams process clearly understand their roles and responsibilities
- all exams and assessments are conducted according to JCQ and awarding body regulations, guidance and instructions, thus maintaining the integrity and security of the exam/assessment system at all times
- exam candidates understand the exams process and what is expected of them

This policy is reviewed annually to ensure ways of working in the centre are accurately reflected and that exams and assessments are conducted to current JCQ (and awarding body) regulations, instructions and guidance.

This policy will be communicated to all relevant centre staff **Head Teacher's Bulletin**.

## Roles and responsibilities overview

**The head of centre** is the individual who is accountable to the awarding bodies for ensuring that the centre is always compliant with the published JCQ regulations and awarding body requirements to ensure the security and integrity of the examinations/assessments. This individual must have the authority to deploy the necessary resources to ensure that the centre is always compliant in meeting those published JCQ regulations and awarding body requirements.

Heads of centre must ensure that senior leadership teams and exam office personnel familiarise themselves with the entire contents of JCQ *General Regulations for Approved Centres* booklet. In particular, heads of centre must familiarise themselves with sections 5.1, 5.3 and 5.4.

Heads of centre must ensure that relevant members of staff respond promptly to requests for information from awarding bodies relating to the administration and conducting of examinations/assessments. ([GR](#), section 1)

**The examinations officer** is the person appointed by the head of centre to act on behalf of, and be the main point of contact for, the centre in matters relating to the general administration of awarding body examinations and assessments.

**The headteacher/Principal on site (the head of centre) may not appoint themselves as the examinations officer.** A head of centre and an examinations officer are two distinct and separate roles.

The head of centre and/or examinations officer may operate across more than one centre. In such cases the head of centre must ensure there is suitable senior leadership team support in place, so they can meet their obligations across all centres for which they are responsible. The head of centre must ensure that these arrangements are covered by their examination contingency plan. ([GR](#), section 2)

### Head of centre responsibilities

### **Word Processor Policy (Exams)**

#### **Use of Word Processors in Examinations**

The use of a word processor in exams and assessments is an available access arrangement.  
(AA 4.2.1)

The purpose of an access arrangement/reasonable adjustment is to ensure, where possible, that barriers to assessment are removed for a disabled candidate preventing him/her from being placed at a substantial disadvantage due to persistent and significant difficulties. The integrity of the assessment is maintained, whilst at the same time providing access to assessments for a disabled candidate.  
(AA 4.2.2)

Although access arrangements/adjustments are intended to allow access to assessments, they cannot be granted where they will compromise the assessment objectives of the specification in question. For example, the use of a practical assistant will not normally be allowed when practical skills are being tested.  
(AA 4.2.3)

Candidates may not require the same access arrangements/reasonable adjustments in each specification. Subjects and their methods of assessments may vary, leading to different demands of the candidate. SENCos must consider the need for access arrangements/reasonable adjustments on a subject-by-subject basis

The term 'word processor' is used to describe for example, the use of a computer, laptop or tablet.

The use of a Word Processor

The centre will:

- allocate the use of a word processor with the spelling and grammar check facility/predictive text disabled (switched off) to a candidate where it is their normal way of working within the centre (AA 5.8.1)
- award the use of a word processor to a candidate if it is appropriate to their needs. Needs may

include

a learning difficulty which has a substantial and long term adverse effect on their ability to write legibly  
a medical condition  
a physical disability  
a sensory impairment;  
planning and organisational problems when writing by hand  
poor handwriting

- only permit the use of a word processor where the integrity of the assessment can be maintained (AA 4.2.1)

- not grant the use of a word processor where it will compromise the assessment objectives of the specification in question (AA 4.2.2)

- consider on a subject-by-subject basis if the candidate will need to use a word processor in each specification (AA 4.2.3)

- consider the needs of the candidate at the start of the candidate's course leading to a qualification based on evidence gathered that firmly establishes the candidate's needs and 'normal way of working' in the classroom, internal tests/exams, mock exams etc. and confirm arrangements in place before the candidate takes an exam or assessment (AA 4.2.4)

- provide access to word processors to candidates in non-examination assessment components

- as standard practice unless prohibited by the specification (AA 5.8.2)

The centre will not:

- simply grant the use of a word processor to a candidate because he/she prefers to type rather than write or can work faster on a keyboard, or because he/she uses a laptop at home (AA 5.8.4)

Exceptions

The only exception to the above where the use of a word processor would be considered for a candidate would be:

- in the event of a temporary injury or impairment, or a diagnosis of a disability or manifestation of an impairment relating to an existing disability arising after the start of the course (AA 4.2.4)
- where a subject within the curriculum is delivered electronically and the centre provides word processors to all candidates (AA 5.8.4)

#### 4. Arrangements at the time of the assessment for the use of a word processor

A candidate using a word processor is accommodated in a different room from the main cohort, usually with a small number of other candidates using a word processor.

To comply with ICE 14, the centre:

- provides a word processor with the spelling and grammar check facility/predictive text disabled (switched off) (ICE 14.20)
- ensures the candidate is reminded to ensure that his/her centre number, candidate number and the unit/component code appear on each page as a header or footer e.g. 12345/8001 – 6391/01 (ICE 14.22)

- ensures the candidate understands that each page of the typed script must be numbered, e.g. page 1 of 6 (ICE 14.23)
- ensures the candidate is reminded to save his/her work at regular intervals (ICE 14.24)
- instruct the candidate to use a minimum of 12pt font and double spacing in order to assist examiners when marking (ICE 14.24)

The centre will ensure the word processor:

- is in good working order at the time of the exam
- is accommodated in such a way that other candidates are not disturbed and cannot read the screen
- is used as a type-writer, not as a database, although standard formatting software is acceptable
- and is not connected to an intranet or any other means of communication is cleared of any previously stored data
- must not give the candidate access to other applications such as a calculator (where prohibited in the examination), spreadsheets etc.
- must not include graphic packages or computer aided design software unless permission has been given to use these
- must not have any predictive text software or an automatic spelling and grammar check enabled unless the candidate has been permitted a scribe or is using speech recognition technology (a scribe cover sheet must be completed), or the awarding body's specification permits the use of automatic spell checking
- must not include speech recognition technology unless the candidate has permission to use a scribe or relevant software
- must not be used on the candidate's behalf by a third party unless the candidate has permission to use a scribe

### Portable storage medium

The centre will ensure that any portable storage medium (e.g. a memory stick) use: is provided by the centre

- is cleared of any previously stored data  
Printing the script after the exam is over
- The centre will ensure the word processor is either connected to a printer so that a script can be printed off, or have the facility to print from a portable storage medium (memory stick)
- the candidate is present to verify that the work printed is his or her own
- a word processed script is attached to any answer booklet which contains some of the answers
- a word processor cover sheet (Form 4) is completed and included with the candidate's typed script (according to the relevant awarding body's instructions)

Where a candidate has SENCo approval to use a word processor for examinations, the school will provide a word processor which has been set up for examinations in accordance with current JCQ regulations. (JCQ Instructions for Conducting Exams 1<sup>st</sup> September 2022 to 31<sup>st</sup> August 2023) Candidates will not be permitted to use their own personal word processors for examinations.

For JCQ regulations on the use of a word processor in written examinations please see section 5.8 of the JCQ publication *Adjustments for candidates with disabilities and learning difficulties*  
<https://www.jcq.org.uk/exams-office/access-arrangements-and-special-consideration>

### Alternative Rooming Arrangements Policy (Exams)

|  |  |
|--|--|
| <p>In certain circumstances, a candidate with 'an established difficulty' may be eligible to take exams in alternative rooming arrangements. Centres may also receive requests from candidates (and/or parents/carers) to take their exams in alternative rooms. Having a documented policy ensures:</p> <ul style="list-style-type: none"> <li>the criteria for candidates granted alternative rooming arrangements is clear and complies with JCQ regulations</li> <li>the centre can demonstrate the policy if asked/challenged by a candidate (and/or parent/carer)</li> </ul> | <p>We will be using the Sports hall, Main hall, class rooms or the portacabins as alternative rooms if required.</p> |
