## Why choose Cleeve Park School Sixth Form?

As the Acting Head of Sixth Form, it gives me great pleasure in welcoming you to look at our sixth form provision for 2020 and hope you can attend our Open Evening.

Our students are our priority; their progress, their needs and wellbeing come above all else. We actively monitor our students' academic progress, attendance and punctuality, providing support and intervention where

necessary to ensure students have the opportunity to reach their full potential.

Our aim within the sixth form is to develop every student so they become a fully rounded young adult by the time they leave us and take the next stage in their post school journey; whether that is university, apprenticeship or in the workplace. This transition is equally as important as their academic achievements and we feel it is our duty to prepare them for the world beyond secondary education.

My team and I cannot wait to meet our prospective 2020 students to answer any questions they may have regarding Cleeve Park School Sixth Form.
